September 21 – 24,

Indiana Emergency Response Community.

Dear Conference Vendor / Exhibitor,

We would like to take a moment to express our appreciation to the many supporters of the Indiana Emergency Response Conference. The financial backing that has been provided in the past means a great deal to those who attend this conference and affords a unique opportunity to improve skills, share ideas, and to become familiar with your products and services.

To make this year's event even better, we need you! You are invited to participate as a vendor at the 2022 Indiana Emergency Response Conference. The IERC will be held September 21 -24, 2022, at the Indianapolis Marriott East, 7202 E. 21st Street Indianapolis, IN 46219

The companies that attend the IERC will gain exposure to more than 550 attendees from across the State of Indiana. The attendees are primarily fire and emergency service personnel, as well as law enforcement, government officials, healthcare professionals, and other emergency response agencies.

We are offering many levels of sponsorship, which we hope you will find as a useful marketing tool. Vendors wishing to be a conference sponsor at any level will have their company name listed in the program, conference website, and signage at the event. If you would like to be a sponsor, a sponsorship form with price information is enclosed. After the conference, we will provide an electronic list of attendees to all sponsors.

The conference program includes classroom lectures, general sessions with major speakers, practical skills sessions, and a vendor show. The inside exhibit hall will offer 8x8, 8x10 booth sizes, a limited number of hallway spaces in the atrium, and outside exhibit space. The outside exhibit area will consist of three different size booths. Free parking is available to all attendees and exhibitors. Reserve your exhibit space by returning the enclosed exhibitor registration form after reading the exhibitor rules and regulations.

If you have any questions that are not answered in this information packet, please do not hesitate to contact Dale Henson, IFCA at 317-856-1850 or dhenson@indfirechiefs.org. We look forward to seeing you at this year's conference!
