

HB1001

STATE BUDGET (THOMPSON J) Appropriates money for capital expenditures, the operation of the state, K-12 and higher education, the delivery of Medicaid and other services, and various other distributions and purposes. Extends the review, analysis, and evaluation of tax incentives by the legislative services agency through 2030. Provides that if the budget director determines at any time that a state agency can perform the agency's statutory obligations with less than the amount appropriated, the budget director shall, with the approval of the governor, and after notice to the state agency, reduce the amount or amounts allotted or to be allotted. Requires the budget director to withhold not less than 5% of any appropriation to a state agency to be used for salaries or other wages for state agency employees or general operating expenses of the state agency. Repeals a provision allowing the Indiana department of administration to enter into a lease with the Indiana historical society for use of a building. Provides that certain businesses providing specialized employee services receive a price preference of 15% for public works projects. Provides sales tax exemptions for feminine hygiene products and adult diapers. Increases the income tax deduction for a person over 65 with certain qualifying income from \$500 to \$1,000. Increases the: (1) employee threshold; and (2) maximum amount of tax credits that may be granted in a year; for purposes of the health reimbursement arrangement income tax credit. Establishes a state tax credit for certain capital investments made in rural funds (rural fund credit). Prescribes requirements for the rural fund credit. Establishes the Hoosier workforce investment tax credit (workforce credit). Allows an eligible business to claim a workforce credit for certain training costs incurred. Extends the sunset of the collection of hospital assessment fees and health facility quality assessment fees from June 30, 2025, to June 30, 2027. Removes the annual income maximum for choice scholarship eligibility. Repeals the chapter establishing the curricular materials fund and certain provisions related to procedures for reimbursement of costs of providing curricular materials. Changes the appointment and terms of members of the board of the Gary airport authority. Requires that the salary matrix for state police, capitol police officers, and department of natural resources law enforcement officers be adjusted each time an adjustment is made to a pay plan for state employees in the executive branch. Provides that an adult charter school is entitled to state funding in an amount that is based on the foundation amount for the state fiscal year. Requires the secretary of education to provide a report and recommendation to the general assembly concerning aligning state funding for dual credit with the new high school diploma and expanding access to dual credit course work to all Indiana students. Prohibits a school corporation or career and technical education center or school from charging a career scholarship student enrolled in the career scholarship account program or an approved intermediary acting on behalf of a career scholarship student a tuition or fee amount to enroll in or attend a career and technical education program, course, or class that is more than the proportionate amount that the school corporation or career and technical education center or school would receive under the career and technical education grant if the student had enrolled in and completed the applicable career and technical education program, course, or class. Provides that a career and technical education center that charges a career scholarship student a tuition or fee amount to enroll in or attend a career and technical education program, course, or class may not receive a credential completion grant for the student. Requires the department of education to distribute choice scholarships at least twice each semester (instead of once). Requires the commission for higher education to annually prepare and submit to the legislative council and to the budget committee a report that examines the utilization of physical facilities for instruction at each state educational institution. Specifies the amount of covered taxes that may be captured in the Evansville professional sports development area. Provides for the determination of the: (1) base assessed value; (2) gross retail base period amount; and (3) income tax base period amount; in an innovation development district (district). Requires the executive of a city, county, or town, or, if applicable, executives, and the Indiana economic development corporation to enter into an agreement establishing the terms and conditions governing any district (instead of only certain districts). Repeals the statewide innovation development district fund. Establishes the economic development reserve account. Provides that: (1) an appropriation to the legislative council and the legislative services agency for a state fiscal year ending before July 1, 2027, reverts to the state general fund as directed by the personnel subcommittee of the legislative council; and (2) an employee in an entity in the legislative or judicial branch of state government is eligible to participate in a pilot program for converting unused excess accrued leave to a monetary contribution for the employee in the employee's 401(a) matching account with Hoosier START. Provides that unexpended and unencumbered amounts appropriated from the federal economic stimulus fund in P.L.165-2021 do not revert to the state general fund. Requires the state comptroller to transfer: (1) \$15,000,000 from the addiction services fund; and (2) \$25,000,000 from the department of insurance fund; to the tobacco master settlement agreement fund on July 1, 2025.

HB1427

DEPARTMENT OF LOCAL GOVERNMENT FINANCE (SNOW C) Provides that the only permissible method of filing a personal property return is by using the personal property online submission portal. Establishes a \$5 filing fee and an exception. Adds requirements for the filing of a petition for review of land value. For purposes of public utility companies, specifies that the period of time that a taxpayer may file an objection with the department of local government finance (department) is not later than 15 days after the notice is postmarked. For purposes of property of an exempt organization used in a nonexempt trade or business, provides that the department may (as opposed to shall in current law) adopt certain rules. Provides that all or part of a building is deemed to serve a charitable purpose and thus is exempt from property taxation if it is owned by a nonprofit entity and is: (1) registered as a continuing care retirement community; (2) defined as a small house health facility; or (3) licensed as a health care or residential care facility. Adds continuing care retirement communities and small house health facilities to the list of exempt entities. Clarifies the deadline for submitting amended certified net assessed value amounts. Provides that property tax assessment board of appeals members' terms must be staggered for a two year period and begin on January 1. Provides for funding for cultural institutions. Changes the sunset date for the procedure for selling certain bonds to July 1, 2027, and makes corresponding changes. Provides that the county treasurer is not required to mail or transmit a statement for property that is exempt from taxation and does not have a reported assessed value. Requires the department of local government finance, in a manner determined by the department, to include on the coupon page of each property tax statement educational information regarding the eligibility and procedures for the over 65 property tax deduction and for various property tax deductions available to veterans. Provides temporary one time

increases for the maximum permissible ad valorem property tax levies for Shelby County and the Shelby County solid waste management district. Specifies that a minimum population for application of certain provisions concerning: (1) the general government of counties; and (2) the division of powers of certain counties; is 450,000 (instead of 400,000). Provides that the northwest Indiana regional development authority must be reimbursed for amounts deposited in the blighted property demolition fund not later than July 1, 2027 (instead of July 1, 2026). Allows a person who is: (1) engaged in the business of renting or furnishing, for periods of less than 30 days, any lodgings in any hotel, motel, inn, tourist camp, tourist cabin, or any other place in which lodgings are regularly furnished for a consideration that is located within an economic development district; and (2) liable for a special benefits assessment for the property; to charge a fee of not more than \$1. Specifies the calculation of the maximum permissible property tax levy for certain units that fail to comply with certain budget and tax levy review and adoption procedures. Provides that a tract or item of real property owned by a political subdivision may not be sold at a tax sale. Provides that a political subdivision must upload a digital copy of every contract entered into after December 31, 2026, to the Indiana transparency website (website). Requires the department of local government finance to develop and implement an application programming interface that would allow a political subdivision to upload multiple contracts at once directly from the political subdivision's network to the website. Removes a provision requiring the county executive to provide an annual report to the legislative council concerning certain tax sales.

HB1457

INDIANA DEPARTMENT OF HEALTH (BARRETT B) Specifies that provisions of law governing the office of administrative law proceedings apply to the Indiana department of health (state department) in matters concerning the involuntary transfer or discharge of a resident of a health facility. Provides that in regulating the licensure of hospitals and ambulatory outpatient surgical centers, the state department may use the most recent version of specified publications for purposes of enforcement. Requires the state department to list the version of each publication being utilized by the state department on its website. Requires the state department to, before utilizing a new version of a publication, publish a notice at least 180 days before the state department may take action using the new version. Amends the list of crimes or acts that preclude a home health aide, nurse aide, or other unlicensed employee from employment at a home health agency and certain health care facilities. Amends the list of crimes that preclude a person from operating a home health agency or personal services agency. Requires the state department to: (1) investigate any report that a nurse aide or home health aide has been convicted of a certain crime; and (2) remove the individual from the state nurse aide registry. Makes it a Class A infraction for a person convicted of a certain crime to knowingly or intentionally apply for a job as a home health aide or other unlicensed employee at a home health agency or certain health care facilities. For provisions concerning the women, infants, and children nutrition program (WIC program), defines "WIC vendor agreement". Requires the state department to: (1) select WIC program vendors based on selection criteria set forth in federal regulations; (2) review the selection criteria annually; (3) include the selection criteria in the WIC state plan; and (4) publish the selection criteria on the state department's website. For purposes of submitting a death record of a stillborn, requires the physician, physician assistant, or advanced practice registered nurse (APRN) last in attendance to initiate the document process unless the physician, physician assistant, or APRN was not present upon the deceased. Includes reporting to local child fatality review teams, the statewide child fatality review committee, local fetal-infant mortality review teams, and suicide and overdose fatality review teams for the release of mental health records without the consent of the patient. Requires the state department to: (1) approve courses concerning auto-injectable epinephrine that meet criteria established by the state department (rather than courses offered by an approved organization as defined in current law); and (2) publish the criteria on its website. Removes a provision allowing the state department to contract with a third party to create a certificate of completion for a course. Amends the membership of the statewide child fatality review

committee.

INSURANCE MATTERS (CARBAUGH M) Provides that the requirement for a state employee health plan, policy of accident and sickness insurance, and a health maintenance organization contract to provide reimbursement for emergency medical services includes emergency medical services that are performed or provided as part of a mobile integrated healthcare program. Provides that a managed care organization and a provider may agree to change the payment amount for emergency services and medically necessary screening services in the emergency department of a hospital. Provides that the secretary of family and social services (secretary) may void an agreement regarding a different reimbursement rate or methodology between a managed care organization and a provider if the secretary finds that the agreement would have an adverse impact on the Medicaid budget. Provides that the article regarding consumer data protection does not apply to any organization exempt from taxation under Section 501(c)(4) of the Internal Revenue Code that is established to detect or prevent insurance related crime or fraud. Changes the deadline for the Indiana Public Employers' Plan, Inc. to apply to the insurance commissioner for a certificate of authority to transact business as a domestic tax exempt reciprocal insurance company from before December 31, 2026, to before December 31, 2030. Repeals the statute requiring carriers of health insurance plans to conduct annual public forums. Amends the definition of "small employer" in the chapter regarding small employer group health insurance. Allows a person who has legal custody of a minor to settle or compromise and enter into a settlement agreement with a person against whom the minor has a claim or from whom the minor is to receive proceeds from the sale of real estate if certain conditions are met.

HB1637 SCHOOL AND PUBLIC SAFETY MATTERS (BARTELS S) Provides for the appointment of a fire chief, or the fire chief's designee, to a county school safety commission. Establishes the office of school safety within the department of homeland security (department) for the purpose of coordinating and administering school security and safety resources. Requires a school corporation or charter school to comply with certain safety related requests by the office of school safety. Changes the composition of the secured school safety board. Provides that the secured school fund may be used to provide financial assistance for projects of the office of school safety that are approved by the secured school safety board. Requires a school safety plan to include measures to annually inspect each protective door assembly on school buildings to ensure compliance with standards established by the fire prevention and building safety commission. Authorizes the department to issue enforcement orders in accordance with rules adopted by the board of firefighting personnel standards and education. Removes emergency medical services enforcement authority from the state fire marshal's management authority. Provides that the department, a fire department, or a volunteer fire department may open burn for fire training purposes if certain conditions are met. Makes various changes to provisions relating to the department's enforcement authority pertaining to the administrative adjudication of building fire and safety laws. Requires that a city, town, or county that requires a building permit for the construction of a Class 2 structure to allow the inspection to be conducted by third party inspectors. Amends the definition of "law enforcement officer" to include the state fire marshal and the executive director or fire investigator of the department. Provides that the fire prevention and building safety commission, with certain exceptions, may not adopt a final rule for more than three building codes during any 12 month period. Repeals the provision establishing the department of education's division of school building physical security and safety. Makes conforming amendments.

PROPERTY TAX RELIEF (HOLDMAN T) Adds provisions to authorize a county fiscal body to adopt an ordinance to establish a property tax payment deferral program (program). Provides that a qualified individual participating in the program may defer the payment of part of the property taxes that would otherwise be due on a homestead. Defines "qualified individual". Provides that property taxes deferred under the program are due after the occurrence of a deferral termination event. Provides that the maximum amount of taxes that may be deferred cumulatively year over year may not exceed \$10,000. Amends a capitalization rate percentage under the statewide agricultural land base rate determination. Amends the percentage cap used to determine the maximum levy growth quotient (MLGQ) to equal: (1) 0% in 2026; (2) 1% in 2027; and (3) 2% in 2028. Beginning with property taxes first due and payable in 2029, amends the calculation of the MLGQ to provide a new methodology. Specifies that the MLGQ calculation is determined for the county and each civil taxing unit within the county based on specified criteria. Provides the calculation of the MLGQ for civil taxing units with territory in more than one county. Makes certain changes to the qualification requirements and credit amount for the over 65 circuit breaker credit and the property tax deduction for persons 65 years of age or older. Makes certain changes to the qualification requirements and deduction amount for the property tax deduction for disabled veterans who are either totally disabled or at least 62 years of age with a partial disability. Establishes a property tax credit for an individual who is a first time home buyer for the first five consecutive calendar years in which the individual has property tax liability for the individual's homestead. Specifies the amount of the credit. Provides qualification requirements for the credit based on the individual's annual income and the homestead's assessed value. Provides that specified referendums may be placed on the ballot only at a general election. Amends the ballot language for controlled project, school operating, and school public safety referendums. Provides that a school corporation may not adopt a resolution to place a controlled project referendum on the ballot during the second calendar year after the final calendar year in which a previously approved controlled project referendum levy is imposed. Places restrictions on the issuance of certain general obligation bonds. Provides that, notwithstanding any growth in a political subdivision's assessed value in the previous year, a political subdivision's ad valorem property tax levy shall not exceed the ad valorem property tax levy for its last preceding annual budget, unless the fiscal body of the political subdivision adopts an affirmative tax rate and tax levy increase by ordinance following a separate public hearing. Requires a resulting decrease in tax rates for each political subdivision in which there was an increase in the political subdivision's assessed value in the previous year, subject to any affirmative tax rate and tax levy increase adopted by the fiscal body of the political subdivision. Phases out the authority for the department of local government finance to permit an excess tax levy that is based on assessed value growth, related to a revenue shortfall, school transportation costs, and other circumstances. Retains the provisions that permit an excess tax levy if the civil taxing unit cannot carry out its governmental functions and in the case of annexation. Creates a new referendum for all political subdivisions (but places additional restrictions on a school corporation's ability to use the referendum) to use to place a referendum on the ballot to impose a referendum tax levy for one year. Sets forth the procedures for holding the referendum. Specifies that a referendum using the procedure may be placed only on the ballot for a general election. Specifies the permissible uses of money collected from the referendum levy. Requires the department of local government finance to develop and maintain a property tax transparency portal through which taxpayers may: (1) compare the property tax liability in their current tax statement compared to their potential property tax liability based on changes under a proposed tax rate; and (2)

provide taxpayer feedback to the department.

PENSION MATTERS (BUCHANAN B) Modifies the definition of "average of the annual compensation" for a member of the public employees' retirement fund (PERF) who retires after December 31, 2026. Specifies that compensation received in contemplation of retirement is excluded from the average of the annual compensation for particular members of PERF and the Indiana state teachers' retirement fund (TRF). Repeals a provision requiring the board of trustees of the Indiana public retirement system (board) to maintain separate accounts for each unit of local government. Provides that amounts forfeited under the public employees defined contribution plan must be used as determined by the board. (Current law requires these amounts to be used to reduce the unfunded accrued liability of PERF.) Specifies a process by which a fully vested member of the public employees' defined contribution plan or the teachers' defined contribution plan may irrevocably elect to participate in PERF or TRF, as applicable. Modifies the information that must be included in a delinquency notice to a delinquent political subdivision. Makes conforming amendments. (The introduced version of this bill was prepared by the interim study committee on pension management oversight.)

SB518

SCHOOL PROPERTY TAXES (ROGERS L) Provides that all school corporations that adopt a resolution for a property tax levy for a controlled project or a school safety referendum tax levy after May 10, 2025, must share revenue received from the levy with certain charter schools. Specifies, for purposes of making distributions to charter schools from a property tax levy for a controlled project, that only charter schools located within the attendance area of the school corporation shall receive a distribution of revenue from that levy and requires such a charter school to establish a separate account to deposit the revenue. Requires all school corporations to share revenue received from a debt service levy with certain charter schools. Requires all school corporations that adopt a resolution for an operating referendum tax levy after May 10, 2025, to share revenue received from the levy with certain charter schools. Requires, beginning with distributions in 2028, that all school corporations begin sharing revenue from the school corporation's operations fund levy with certain charter schools. Provides for the phasing in of the sharing of revenue with certain charter schools from the school corporation's operations fund levy. Excludes school corporations meeting specified criteria from the sharing of property tax revenue received under the bill's provisions. Provides a calculation for determining the amount of an annual grant from the charter and innovation network school grant program based on the amount of property tax revenue received by a charter school from school corporations. Provides for the appointment of additional board members to the governing board of a charter school that receives property tax revenue. Sets forth additional procedures related to the closure of a charter school. Makes conforming changes.
